## Next Steps

### Submitting Your Plan

Once your plan is complete, please email to [Office@brilliantpathways.org](mailto:Office@brilliantpathways.org) and copy your CFES Brilliant Pathways Program Director.

### Tracking Scholar Progress

The mid-year assessment (January) will ask school teams to share best practices, program impact and challenges, and answer a set of narrative questions.

The year-end assessment (June) will ask school teams to provide graduation data and post-secondary plans for grade 12 Scholars, as well as assess Scholar progress. We will ask schools to assess Scholars in the following areas:

- Increased **College & Career Pathway Knowledge** (participating in college knowledge and career readiness activities)
- **College Aspirations** (declaring intent to enroll in postsecondary education)
- Gains in developing **Essential Skill** (Goal Setting, Teamwork, Leadership, Agility, Perseverance & Networking)

School teams can view the mid-year and year-end assessment questions at any time in their shared CFES Brilliant Pathways Google Drive Folder, at [brilliantpathways.org/school-forms](https://brilliantpathways.org/school-forms) or by contacting [Office@brilliantpathways.org](mailto:Office@brilliantpathways.org)
