

Brilliant Career Lab

The Brilliant Career Lab career exploration tool is now housed on the CFES website! If you have already created an account to access the **MEMBER** section of the CFES Brilliant Pathway website, you can login and get started (see "Getting Started" section of this document).

First Time User Directions:

If you are a first time user and do not have an account set up to access the member section of the CFES Brilliant Pathways website, you need to create an account.

- To create a new account, go to <http://www.brilliantpathways.org/register>.

Creating an Account:

We recommend using the following as your login information for the CFES Website. This login will give you access to the Brilliant Career Lab exploration tool, as well as other college & career readiness games & resources!

- **User name:** We recommend using your last name and first name: lastnamefirstname - (example: daltonrick)
- **Email:** We recommend using your **school email** - (example: office@brilliantpathways.org)
- **Password:** You can choose your own password. It is recommended that you use something that can easily be remembered. You will use this account until you graduate from your school, so pick something that you will not forget! If you do forget your login information, contact office@brilliantpathways.org with your name and school.
- **CFES School Name:** Please type in the full name of your school (no acronyms)

Once logged in, click on the **"MEMBERS"** tab located on the top right corner of the website.

Scroll down to the side menu and click on **"Pathways to College & Career"** and then **"Brilliant Career Lab"** to get started!

Getting Started:

You can now access the **O-NET Interest Profile**. Take a moment to read the Interest Profile directions and prompts (click "Next" to move forward). The first four slides will outline directions for how it works, response to questions, and learning about your interests. It's now time to complete your Interest Survey.

- The Interest Survey is 60 questions.
- Once the survey is complete, it will automatically share your results.
- You can click on specific "interests" hyperlinked on the results slide to learn more about interest categories.
- Click "Next" and you will see a slide for "Job/Career Zones" which explains the variety of job zones based on your preferred level of preparation.
- Each hyperlink can be clicked to learn more about education, training, and experience needed.
- Within each job zone selected, you can explore careers that fit your interests and preferred preparation level.

Have fun exploring careers and post-secondary training options!
