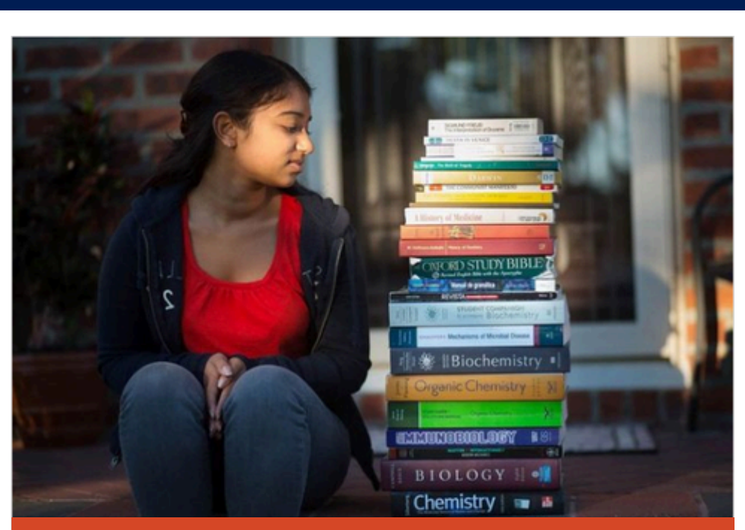
How to Adjust When Returning from Winter Break

It can be hard going back from winter break to a new semester at school. Adjusting to a whole new schedule, maybe some of your friends are not coming back to college, or maybe your favorite food will no longer be in the dining hall! Here are some ways to help you adjust.



[Tips for College Students to Get Back on a Schedule After Winter Break]

TIPS:

- Start adjusting your sleep/eating schedule
- Find your classrooms early
- Start writing
- Eat healthy and excercise
- Look at your class syllabi to plan
- Set goals for the semester

CAREER SERVICES CENTER

Here is one of the many resources that your campus provides, a career center. This center helps students with career guidance and resources to help them be successful.

Another Essential Skills Scholarship Winner!!

We're excited to announce Madeline from the University of Vermont as another recipient of the Essential Skills Scholarship! Madeline has demonstrated exceptional ability in applying the six Essential Skills, preparing her for success in college and beyond. Congratulations, Madeline, on this well-deserved recognition!

Now is the Time to Start Building Your Network

Now is a good time to start building your network. You can do this by talking to your professors, going to college fairs or career fairs, and by reaching out to people in job fields you are interested in to get advice! If you do not know what you want to do, this is a great time to start exploring!
